

Ladies Club Service Project November

The House of Hope

House of Hope Angel Tree

Requesting:

- Specified sizes of Socks
- PJ's, &
- Underwear

Members collected requests at the October Meeting to be returned at our November meeting.

Each year during Christmas time, children are referred to the House of Hope through caseworkers, relative care and foster families that need help.

The House of Hope normally provides Christmas gifts for ~ 500 children per year, and all the gifts are wrapped at the same time at our community wrapping hosted by our dedicated volunteers.
