TRAVEL – Sandi Edwards, Chair

- First I want to announce that with the recent changes made by the travel industry and our travel partners, **the Ladies Club is lifting its Covid vaccination policy**. The language has been removed from the Travel page on our website and you will no longer have to show proof of Covid vaccination to travel with us.

- For those traveling to **Ireland** with us May 4-13, just a reminder that final payment for this trip is due on January 24. You will be receiving a final invoice from Intertrav shortly. If you are still thinking about this trip, the last day to sign up is January 16. We currently have 37 people signed up for this trip.
- Today I'm announcing our **Ramblin' on the River** trip on April 28-30, 2023. This 3-day trip brochure has been posted on the Ladies Club website. I have brochures at the Travel table for you, and it was recently announced on our Facebook group. This trip will take us to Chattanooga where we will have a catered lunch at the Mayor's Mansion, a ride on the Southern Belle riverboat, and attend a nightly 1-mile walking ghost tour. We will also visit the Tennessee Aquarium, have some free time for lunch and shopping in downtown Chattanooga, and have a gourmet dinner at the Public House. On our way home we will stop at Wheeler's Orchard and Vineyard, a small sustainable orchard that grows apples, vegetables and berries. They will have vegetable and herb starter plants to purchase and we will sample their homemade juices and vinegars. This trip has a lot of walking and I have given it a 'high' activity level, so if prolonged walking is a problem for you, this may not be the trip for you. That being said, our sign-up time for this trip is very short, so if you think you want to go, please sign up today. I need 32 travelers for this trip to go.
- I also want to give you a teaser about another trip for 2023. This is an added trip to our previously planned 2023 agenda—a **Gaylord Christmas**. We will be doing a 2-day trip to Nashville's Gaylord Opryland on December 13-14, 2023, to see their fabulous Christmas decorations, attend a wonderful dinner show, and take a lunch cruise on the General Jackson Showboat. I'm still firming up a few things, but hope to have this brochure completed and posted on the Ladies Club website prior to our February meeting. Keep watching for further information, and if this is something you want to do, put Dec. 13-14 on your calendars now. We will be able to take reservations as soon as the brochure is out.
- If you have any questions about any of our trips, please call or email me.
